School Board Membership

- (1) The School Board shall consist of seven members who are constitutional officers elected by the Citizens of Lee County to represent them in supervision of the District.
- (2) Five members shall be elected by voters in single member districts, with two members elected at large by a countywide vote. The boundaries of single member districts shall be established by resolution of the School Board. Each member elected from a single member district shall maintain residence in that district throughout the duration of the term of office.
