Dear Parent or Guardian,

Our goal at Transportation Services is to provide your student a safe and pleasant bus ride to and from school. We will require some important information from you regarding your student and any medical needs he or she may have to be able to reach this goal. Therefore, please complete the information on the attached form and return it to your student's bus operator on the first day of school.

The Confidential Special Transportation Form was developed to have information that may be needed in an emergency situation. Along with the pertinent information that you will provide on this form, please include a current wallet sized (2" x 3") photo of your student. Any information you provide regarding your student is protected under the Family Rights and Privacy Act of 1974 and will not be shared or disclosed to anyone except those directly involved in the safety of your student.

It is imperative that you update this information each school year. If an emergency should occur, the information you provide on this form regarding medical conditions, medications and allergies will enable emergency and medical personnel to contact you and/or your student's physician and provide immediate medical care if necessary.

We sincerely appreciate your cooperation in the timely completion of this information.

Thank you,

Transportation Services
