18. Fee and Summary Report

The screenshot shows the Florida Department of Education website interface. At the top left is the logo for the Florida Department of Education (fldoe.org). On the right, it says "Logged in as [redacted]" and provides links for "Update Profile", "Logoff", and "Contact Us". A red-bordered error box contains the following text: "Error" followed by a bullet point: "Your application data was submitted successfully but the system was not able to email the PDF Summary report to you." Below the error box, the heading "Fee and Summary Report" is followed by the text: "Your application data has been submitted. Click on 'View PDF Summary Report' and print this report for your records. Press 'Previous' to return to the main menu." A red-bordered attention box contains the text: "ATTENTION: If you are currently employed in a Florida Public or Charter school, you must authorize payment of the non-refundable application processing fees using the established payment procedures of your employing school district. Please contact your employing district for guidance on how to submit payment to complete your application." At the bottom right, there are two buttons: "Previous" and "View PDF Summary Report", along with a "Get ADOBE READER" icon.

At this time you may print your PDF Summary Report.

Please note: the error message at the top simply means that an email copy of the PDF Summary was not sent via email. The application was submitted successfully. Do not submit a duplicate copy of your application. It may delay processing times.

You may also view your PDF Summary from the documents section of your Quick Start Menu.

Refer to your employing school district for more information about their payment procedures.

You will pay \$75.00 fee per endorsement requested for addition.
