

The School Board of Lee County
Board Advisory Committee Application
Construction Advisory Committee

Construction Advisory Committee (CAC) shall consist of sixteen members. The Board will appoint fifteen members to the Construction Advisory Committee, three selected by each School Board Member. Each Board Member will make reasonable efforts to ensure that at least one of his/her appointees resides in that Member’s residence area and at least one is a minority. Every effort shall be made to ensure that a balance of parents, community members, and persons from the following fields of employment or certification are represented on the committee: licensed architect, licensed professional engineer, certified interior designer, certified construction manager, certified educational facilities planner, licensed commercial real estate broker, licensed Florida contractor, certified community/urban planner, carpenter, electrician, plumber, or HVAC technician. One member shall be appointed by the head of the Fire Chief’s Association to serve for a two-year appointment. The Superintendent shall assign no more than three appropriate District staff as liaisons. The purpose of the construction committee shall be to provide input, advice, and support to the five-year capital plan. This committee shall also review proposed new construction and renovation projects and review plans for compliance with safety-to-life issues.

To apply for this committee, please complete the form below and click the Submit button at the end of the application.

Please be advised that the information you provide on your application, once submitted, is public record under Chapter 119, Florida Statutes, the Public Records Act, commonly known as the Sunshine Law. If you are aware of an exemption to the Public Records Act that requires your information to be maintained as private, please provide that basis in writing to the District. Please contact the School Board Office at 337-8303 or send an email to Mary Reider at MaryER@LeeSchools.net

Please note that all advisory committee meetings will be videotaped and uploaded to the District's YouTube channel.

School Board advisory committees shall consist of qualified members from the community whose purpose shall be to provide input, advice and support to the School Board on topics identified by the School Board as specific to each committee. Board members will make every effort to ensure that applicants have skills and knowledge related to the advisory committee to which they are appointed.
