SOLICITATION NAME: ITN No. N207380RC – Paving Services

DATE OF ISSUE: February 12, 2021

The following information shall be included in the ITN documents and is hereby made part of the contract documents in the form of clarification, addition, deletion or revision to the contract specifications.

Proposers' questions/issues and District answers (District answers are italicized):

Q1. Would the Lee County School District be willing to wave the 5 years' experience? Our company falls slightly under the 5-year requirement, however, our experience in the profession extends to 25+ years and have worked closely with some the respected infrastructure companies in Southwest Florida. We have the experience, equipment, and personnel to meet all other scope requirements for this ITN.

A1. ***Section 2 of the Specifications is listed as "Requirements". In Section 2.b) The 5 years is a desired requirement, not a Minimum Requirement.***

Q2. Good afternoon, is there civil plans for this project? thank you

A2. ***Not for the projects associated with this ITN.***

There are no other changes at this time. Please acknowledge this addendum via Attachment B, Addenda Acknowledgement Form, in your submittal.

Thank you for your interest in The School District of Lee County.
