Q1. If a firm is selected to be on the ITN for Planning Consulting Services library, would the firm be excluded from teaming on the design of any future projects, if the firm performs any planning services on a parcel under this ITN contract?

This would be determined on a project-by-project basis and should be considered prior to award of this ITN. Every task assigned to and/or asked of the awarded firm will be evaluated on a case-by-case basis to determine if future conflicts of interest with regards to site planning or future school scoping.*
