**Proposers' questions/issues and District answers (District answers are italicized):**

Q1.	In order to follow the one document guidance for Document 3, we would need to pdf all the files together. The total would be in the range of 4,500 to 5,000 pages, since this would need to include all the separate excel-format full repricing files, disruptions, sample reports, etc. We would like to make sure you are good with this approach, prior to finalizing and uploading our response, or would you prefer us to upload these documents separately in one zipped file, if allowed in Bonfire?
A1.	<i>The upload settings for Document 3 have been changed to accept multiple files. Please upload the documents separately.</i>

There are no other changes at this time. Please acknowledge this addendum via Attachment D, Addenda Acknowledgement Form, in your submittal.

*Thank you for your interest in The School District of Lee County.*
