23 Statutes 119.
24

25 (9) **Consultation:** The Association may request a consultation with the Superintendent for the
26 purpose of seeking clarification and improving communication in areas affecting terms or
27 conditions of employment. Such consultation shall be initiated by a written request to the
28 Superintendent. A proposed agenda shall be submitted by the Association at the time of the
29 request. The meeting shall be set at a time that will not require employment of a substitute.

22 or rejection. The Superintendent shall promptly submit the full agreement to the Board for
23 consideration and ratification or rejection.
24

25 **(1) Non-Ratification Procedure:** Should either the bargaining unit or Board membership not

8 with the Superintendent and proceed through the grievance procedure from Level II forward.
9

10 **(1) Representation:** All members within the bargaining unit may have the right to be represented
11 by the Association in the determination of a grievance. Nothing herein shall be construed to
12 mandate Association representation of a bargaining unit member who is not also a member of the
13 Association. However, nothing in this part shall be construed to prevent any member of the
14 bargaining unit from presenting his/her own grievance in person or by legal counsel and having
15 such grievance adjusted without the intervention of the bargaining agent if the adjustment is not
16 inconsistent with the terms of this Agreement, and if the Association has been given the
17 opportunity to be present at any meeting called for the resolution of such grievances.
18

19 **(2) Rights:** Nothing contained in the grievance procedure shall be construed to deny the Board,
20 the Superintendent, the Association or any teacher the rights guaranteed to them under the laws of
21 the State of Florida or the United States of America.
22

23 **(3) Responsibilities:** The filing of a grievance shall in no way interfere with the right of the Board
24 to proceed to carry out its management responsibilities, subject to the final resolution of the
25 grievance. The teacher shall abide by the management decision involved in any grievance, prior
26 to and during the time the grievance has been filed and shall not discontinue his/her duties prior to
27 and during the time a grievance is being processed.

30 provided, however, the Association shall share equally with the Board only those fees and expenses
31 of the arbitrator and witnesses called by the arbitrator.

39 website or may be copied from Appendix B of this Agreement.

40 **(a) Time Limits:** Failure of the grievant to proceed with a grievance within the time limit
41 herein provided shall bar the grievant from any further right to pursue that grievance. The
42 time limits provided in this article may be extended by written agreement between the
43 parties. Whenever illness or any other incapacity of the grievant prevents attendance at any
44 grievance meeting, the time limits shall be extended to such time that the grievant can be

1 present.

2 **(b) Working Days:** For the purpose of this grievance procedure, working days are defined
3 as days that the District office is open for business.

4 **(c) Withdrawal:** A grievance may be withdrawn by the grievant at any time and at any
5 level of this procedure provided. Once the grievant withdraws a grievance and/or
6 arbitration request, the matter shall be considered closed and final. The same grievance
7 may not be filed a second time by the same party. A written record of withdrawal of the
8 grievance and/or arbitration request shall be maintained in the grievance file.
9

10 **4.04 - HEARINGS**

11
12 **(1) Informal Grievance:** In the event that an employee believes that there is a basis for a
13 grievance, he/she shall, within ten (10) working days of the alleged violation, or within ten (10)
14 working days of the date of the employee's proven knowledge of such violation, first discuss it
15 in an informal manner with his/her immediate supervisor, either personally or accompanied by an
16 Association representative, if the grievant so chooses. In the event that the grievant chooses
17 to have an Association representative present, the grievant shall give the immediate supervisor at
18 least seven (7) working days' notice of the grievant's request for a meeting, the intended
19 presence of an Association representative, and the nature of the grievance. If the resolution of the
20 grievance is not satisfactory to the grievant or if no disposition has been made within seven
21 (7) working days following the informal discussion with his/her immediate supervisor, the
22 grievant may, within seven (7) working days, file a formal grievance with his/her immediate
23 supervisor on the form in Appendix B, and the levels of the formal grievance as provided in this
24 Agreement shall be invoked.
25

26 **(2) Formal Grievance**

27 **(a) Level I:** A copy of the grievance shall be forwarded by the grievant to the
28 Superintendent and to the Association at the same time the grievance is filed with the
29 immediate supervisor. The immediate supervisor shall meet with the grievant and his/her
30 legal counsel or Association representative if the grievant so chooses, and attempt to
31 resolve the grievance. Such meeting will require at least seven (7) working days' notice and
32 shall be held within seven (7) working days of the date of filing of the formal grievance. The
33 immediate supervisor shall indicate the disposition of the grievance in writing within seven
34 (7) working days of such meeting and shall furnish a copy thereof to the grievant, the
35 Superintendent, and to the Association. If the grievant is not satisfied with the disposition
36 of the grievance, or if no disposition has been made within the time limits as provided in
37 Level I, the grievant may submit his/her grievance, as filed in Level I, to the Superintendent
38 within seven (7) working days of the date of disposition or the expiration of time limits for
39 a disposition.

41 Association representative if the grievant so chooses, within seven (7) working days of the
42 date of filing, and attempt to resolve the grievance. The Superintendent shall indicate
43 his/her disposition of the grievance in writing within seven (7) working days of such
44 meeting and shall furnish a copy thereof to the grievant, the immediate supervisor, and to
45 the Association. In the event the grievant is not satisfied with the disposition of the
46 grievance at Level II, or if no disposition has been made within the time limits as provided

1 in Level II, the grievant, with the approval from and representation by the Association, may
2 submit the grievance to arbitration or voluntary mediation in accordance with the rules of
3 the American Arbitration Association.

4 **(c) Voluntary Mediation:** The parties agree to submit, when all parties to the grievance
5 agree, any unresolved issues following Level II to voluntary mediation pursuant to the
6 American Arbitration Association's (AAA) Grievance Mediation Procedures prior to
7 initiating Level III of the grievance process as set forth below. When the parties submit a
8 grievance to mediation the timelines are waived so long as the agreement to submit the
9 grievance to mediation occurs prior to the timelines spelled out in Level III below. No
10 decisions reached during mediation are binding on the parties unless the agreement is
11 reduced to writing and signed by both parties. In the event that mediation is not successful
12 in resolving the dispute, the matter may proceed to Level III.

13 **(d) Level III:** Submission of a grievance to arbitration shall be initiated by the grievant,
14 his/her legal counsel or by his/her designated Association representative, by filing a written
15 request with the American Arbitration Association and with the Superintendent within ten
16 (10) working days of the date of the Level II disposition of the grievance or the expiration
17 of time limits for a disposition or the close of any unsuccessful voluntary mediation. The
18 disposition of the grievance made by the arbitrator shall be binding on both parties;
19 providing that the arbitrator shall have no power to add to or subtract from, modify or
20 otherwise alter the terms of the collective bargaining agreement. The Board and the
21 Association will share any information relative to the disposition of the grievance prior to
22 or during arbitration. Once the grievant withdraws a grievance and/or arbitration request,
23 the matter shall be considered closed and final. A written record of the withdrawal of the
24 grievance and/or arbitration request shall be maintained in the grievance file.

25
26 **(3) Confidentiality:** All meetings and hearings under the grievance procedure shall be held in
27 private and shall include only such parties with an interest, their representatives, and witnesses as
28 necessary.

29
30 **(4) Release from Work:** Grievances shall be processed during times which do not interfere with
31 the grievant's assigned duties, unless the parties agree otherwise. Temporary duty, without loss
32 of pay, may be granted to employees whose attendance is required when grievance meetings are
33 held during work hours.

34
35 **4.05 – DISPOSITION:** The date of disposition shall be the date on which the immediate
36 supervisor delivers the disposition to the grievant or the date of postmark in those instances where
37 delivery is by U.S. Mail.

38
39 **(1) Records:** All official records of the processing of a grievance shall be confidential and be filed

4 term of their annual contract, unless the District authorizes the employee's release.
5

6 **(2) Professional Services Contract:** Any member of the Teacher Association of Lee County
7 bargaining unit, hired prior to July 1, 2012, who does not fall under Florida Statute 1012.33, not
8 holding a Florida Educator Certificate or a District issued Vocational Teaching Certificate, shall
9 fall under the following guidelines: During the first three years of employment, the District may
10 choose not to renew an employee's contract at the end of the employee's contract year. After
11 three years of successful employment, no employee's contract shall be non-renewed without
12 just cause.
13

14 **(3) Continuing Contract:** The contractual status of a teacher who was initially employed in the
15 District prior to July 1, 1984, and a teacher on continuing contract as of July 1, 1984, shall be
16 covered by Florida Statutes 1012.33 as it existed prior to July 1, 1984, and the provisions of the
17 Agreement. Such teacher's rights shall neither be enhanced nor diminished by the revisions of
18 Florida Statutes 1012.33 which became effective July 1, 1984. The contractual status of a teacher
19 whose initial employment in the District begins on or after July 1, 1984, shall be governed by the
20 revisions of Florida Statutes 1012.33 which became effective July 1, 1984, and the provisions of
21 this Agreement.
22

23 **5.02 – SENIORITY:** Seniority is the total number of good years (one day more than half) of
24 instructional experience in Lee County School District while on probationary, annual, continuing
25 or professional service contract. However, continuing or professional service contract teachers
26 are considered to have seniority over any annual contract teacher regardless of the total years of
27 service in the District. Authorized leave of absence, open-end or substitute teaching experience
28 does not count toward seniority. Administrative experience in the District shall count toward
29 seniority provided said experience occurred after the teacher attained three years seniority in the
30 bargaining unit, and said teacher returned to the bargaining unit prior to July 1, 1991. Any tie in
31 seniority between teachers shall be broken by counting the days of experience on open-end,
32 temporary or interim contract rather than years. If a tie still exists, the tie shall be broken by drawing
33 lots. Members of the association may be present to observe the lottery process.
34

35 **(1) Loss of Seniority:** Teachers lose their seniority as a result of the following: termination;
36 retirement; resignation; or layoff exceeding two (2) years or exceeding the individual's length of
37 service, whichever is less.
38

39 **(2) Seniority List:** The District shall develop and maintain a seniority list based on the continuous
40 years of service to the District while on probationary, annual, continuing or professional service
41 contract. The list shall include the hire date which shall be the first day of duty under annual,
42 continuing or professional service contract, all areas of certification and racial data. A copy of the
43 list shall be available at each work site and provided to the Association by March 1 of each year.
44 Teachers shall have access to the seniority list upon request to the principal or immediate super-
45 visor.
46

1 **5.03 – TRANSFER**

2
3 **(1) Voluntary Transfer**

4 **(a) Definition:** A transfer is a change from one school or work site to another. A
5 reassignment at the same school or site is not a transfer.

6 **(b) Notice:** All transfer applicants for a specific position shall be notified in writing as to
7 disposition of each transfer request.

8 **(c) Voluntary Transfer Period:** Three weeks prior to the first teacher work-day of the
9 196-day calendar will be the normal cutoff date for voluntary transfer. After the normal
10 cutoff date, voluntary transfers will be allowed under one or more of the following
11 conditions:

12 **(1) Administrative Agreement:** The principals from the sending and receiving
13 schools agree to the transfer.

14 **(2) Superintendent Approval:** If the principals do not agree to a voluntary transfer
15 the principals may appeal to the Superintendent, or designee, for a final decision
16 regarding the transfer disposition. At this time, the teacher may also submit a letter
17 of explanation for requesting the transfer, to be reviewed by the Superintendent or
18 designee.

19 **(3) Transfer to In-Field Position:** The teacher is transferring from a position in
20 which the teacher is out-of-field to a position that the teacher would be considered
21 in-field.

22 **(4) Involuntary Transfer:** The teacher is transferring from a position to which the
23 teacher was involuntarily transferred. A teacher may transfer from an involuntary
24 transfer assignment within a period of twenty-four (24) months from the start of the
25 involuntary transfer assignment. To avoid an involuntary transfer.

26 **(d) Certification:** Appropriate certification coverage shall be considered in the approval
27 of transfer requests.

28
29 **(2) Involuntary Transfer**

30 **(a) Correct and Proper Operation:** Transfers shall be made on a voluntary basis,
31 whenever possible; however, correct and proper operation of the School District may
32 require that involuntary transfers be made.

33 **(b) Teacher Qualification:** Teacher qualification requirements as defined by state and
34 federal law shall be considered in all involuntary transfer decisions. No involuntary transfer
35 that would result in a violation of state or federal law will be approved.

36 **(c) Financial or Student Need:** Involuntary transfers may be made in the event of a school
37 closing, reconstituted schools, District or state mandated restructuring, new schools, or
38 magnet schools.

39 **(d) Criteria:** The criteria for involuntary transfers will be developed by the TALC
40 Labor/Management Committee prior to involuntary transfers being decided pursuant to
41 Article 5.03(2)(b).

42 **(e) Surplus List:** Involuntary transfers may be made to achieve a reduction in the number
43 of teachers assigned to a school or program. Teachers selected for involuntary transfer shall
44 be those with the least District seniority at the work site who hold certification in the
45 reduced area and are assigned to teach at least 50% of the work day in the program being
46 reduced.

1 **(1) Voluntary:** When surplus occurs, employees shall be given an opportunity to
2 volunteer, prior to determining involuntary transfers.

3 **(2) Order:** Any teacher with Continuing Contract (CC) or Professional Services
4 Contract (PSC) status will be placed on the surplus list.

5 **(3) Preference:** A list of teachers to be involuntarily transferred will be compiled
6 by Human Resources. Vacancy information shall be provided to these employees.
7 Thereafter, employees shall indicate the positions, in order of preference, such as
8 location/subject which they desire.

9 **(4) Seniority:** If there is no vacancy in the teacher’s area of certification, the teacher
10 shall be placed in the position of the least senior teacher with the appropriate area
11 of certification and teaching assignment. In no event shall an involuntary transfer
12 teacher replace a teacher who has greater seniority. The teacher of second seniority
13 ranking in a certification area shall be placed next, and so on until the teacher is
14 placed.

15 **(f) Priority Staffing List:** In the event of District or state mandated restructuring or
16 reconstitution, instructional staff with Annual Contract or Probationary Contract status
17 with a manager’s rating of “Highly Effective” or “Effective” on their most recent
18 performance evaluation will be given priority status for filling vacant positions.

19 **(g) Magnet Schools:** Every effort will be made to apply the principles of involuntary
20 transfer to magnet schools and new schools; however, due to the special circumstances of
21 these schools, final decisions shall be made on the basis of instructional requirements and
22 student needs as determined by the TALC Labor/Management Committee.

23 **(h) Equity:** The parties of this agreement are committed to the goal of improving racial
24 balance in the staffing of the schools of the District. Every reasonable effort will be made
25 through hiring and attrition to improve the racial balance prior to any involuntary transfer.

26 **(i) Appeal:** Upon appeal, the TALC Labor/Management Committee may reverse an
27 involuntary transfer decision.
28

29 **(3) Exceptions:** Articles 5.03(2) and 5.04(7) shall be implemented as described herein unless an
30 instructional or student need is identified. The Superintendent (and only the Superintendent)
31 shall determine if a decision contrary to these provisions is in the best interest of the District. If a
32 Reduction in Force occurs, the TALC President will review exceptions to Articles 5.03(2) and
33 5.04(7) with the Superintendent prior to this determination. A copy of the Principal’s or
34 Supervisor’s recommendation to the Superintendent for exemptions from Articles 5.03(2) and
35 5.04(7) shall be provided to any affected teachers and the Association at the time the
36 recommendation is submitted to the Superintendent. The Superintendent shall notify all teachers
37 affected by the determination in writing in accordance with the Instructional Staffing Calendar
38 and Guidelines. The District will make a good faith effort to place a Professional Service Contract
39 or Continuing Contract teacher who has been impacted by an exception to the involuntary transfer
40 provision.
41

42 **(4) Exemptions:** Elected Lead TALC Building Representatives shall be exempt from surplus or
43 involuntary transfers unless required by law or the Superintendent or designee determines that the
44 transfer is in the best interests of the District. The exemption is to provide a continuity of
45 representation to the bargaining unit.

46 **(a) TALC Building Representative List:** TALC will maintain a current list of Lead

1 Building Representatives and provide the list to the District’s Personnel and Labor
2 Relations Departments upon request and at certain agreed upon dates during the school
3 year. In addition, each Principal will be provided the name of the current Lead Building
4 Representative in their school.
5

6 **5.04 – REDUCTION IN FORCE:** In the event that a reduction in force becomes necessary due
7 to declines in enrollment, budgetary restrictions, reorganization, or other causes as determined by
8 the Board, the following provisions shall apply:
9

10 **(1) Determination:** The Board shall determine the specific work locations and/or special
11 programs and areas of certification within which positions are to be eliminated. Once the specific
12 areas of certification and/or positions have been determined, reductions shall be made on a
13 countywide basis and shall be in accordance with Florida Statute 1012.33(5) and certification as
14 further defined in this section.
15

16 **(2) Primary Schools:** For the purpose of reduction in force at the elementary level there shall
17 be considered to be two areas of certification: early childhood to include pre-
18 kindergarten/kindergarten and elementary (grades 1-5).
19

20 **(3) Secondary Schools:** In the middle and high schools, areas of certification shall be deemed to
21 be the areas for which the employee holds certification. No teacher assignment that would result
22 in a violation of state or federal law will be approved.
23

24 **(4) Exceptional Student Education:** In Exceptional Student Education, consideration will also
25 be given to experience in working with students with significant cognitive and behavioral
26 disabilities.
27

28 **(5) Process:** Once specific positions and/or areas of certification and levels have been identified
29 by the Board, a reduction in force shall be made on a countywide basis as follows:

30 **(a) Performance Salary Schedule:** Employees holding temporary and/or provisional
31 certification will be the first reduced. Annual contract employees who hold a professional
32 teaching certificate will be the next reduced.

33 **(b) Grandfathered Salary Schedule:** Continuing/professional service contract employees
34 will be the last reduced.

35 **(c) Performance Evaluation:** With each of items sub a-c, reduction shall be made such
36 that the person in those areas with the lowest performance evaluation is the first to be
37 released and reductions shall continue in the like manner until the needed number of
38 reductions has occurred.

39 **(d) Seniority:** In the event of equivalent performance evaluations, seniority will be a
40 consideration.

41 **(e) Notification**

42 **(1) Employee:** Any employee whose job is to be eliminated by a countywide
43 reduction in force shall be notified of such by certified mail.

44 **(2) Association:** Before any reduction in force takes place, the Association shall be
45 provided with a district-wide seniority list of all employees and the notification, the
46 areas of certification, levels, work sites, and positions to be reduced.

1 **(f) Reorganization:** Once a reduction in force has taken place on a countywide basis, the
2 appropriate reorganization of all available positions within all work sites shall be
3 implemented according to any appropriate provisions in this Agreement and School Board
4 policy. In every case where reorganization must take place, current employees shall be
5 given the opportunity to volunteer to transfer prior to any involuntary transfer taking place.
6

7 **(6) Assignment:** Teacher assignments that result from a reduction in force shall comply with the
8 teacher qualification requirements as defined in state and federal law. No teacher assignments that
9 would result in a violation of state or federal law will be approved.
10

11 **(7) Recall**

12 **(a) Time Limit:** Employees in layoff status will retain recall rights for the length of their
13 seniority not to exceed two (2) years and shall have preference to work over new hires. It
14 is understood that seniority rights do not exceed the individual's length of service to the
15 District while under annual or continuing/professional service contracts.

16 **(b) Seniority:** Continuing/Professional Service Contract teachers with the greatest
17 seniority shall be recalled first provided they are certified to fill the vacant position.
18 Thereafter, annual contract teachers shall be recalled.

19 **(c) Notification:** Notification of recall will be made by certified mail to the last address in
20 the employee's records.

21 **(d) Failure to Accept:** If a teacher fails to accept an offer of reemployment within ten (10)
22 working days from receipt of notification, it shall constitute a resignation.

23 **(e) Extension of Time Limit:** A laid-off employee, when offered recall, who is temporarily
24 unable to return due to medical reasons certified by a licensed medical provider, may
25 request an extension of recall.
26

27 **5.05 – ASSIGNMENT OF DUTIES**

28
29 **(1) Tentative Assignments:** Each teacher shall be given a tentative teaching assignment in
30 writing for the next school year prior to the last day of duty for the current year. This shall
31 consist of the school and grade level for elementary; school, grade level and department for
32 middle school; and school and department for high school to which the teacher is assigned.
33 Every effort will be made to include course code number(s) and course title(s) for middle and
34 high school teachers. In any event, middle and high school teachers will be notified in writing
35 as soon as possible and not later than August 1 of their assignment by course number(s) and
36 course title(s).
37

38 **(2) Changes in Assignment:** Any teacher who desires a change in grade level and/or subject
39 assignment shall file a written statement of this desire with the principal. No changes in the
40 tentative assignment shall be made without attempts to arrange a prior conference with the
41 teacher to provide rationale for the change and to address concerns of the teacher regarding the
42 change. If a conference is not possible, the rationale for the change shall be submitted in
43 writing to the teacher as soon as practicable prior to implementation of the change.
44

45 **(3) Support and Assistance:** Any teacher assigned to a new grade level or course may request in
46 writing support and assistance deemed by the teacher to be necessary for success in the new

1 assignment. The principal or designee shall consider the request and shall provide written
2 recommendations relating to the request.

3
4 **(4) Reassignment:** If a teacher is to be reassigned to a position which is a different subject area
5 or grade level than their current assignment (or from their assignment in the previous school
6 year) or a position permitting any area of certification, the teacher must be afforded a conference
7 with the Principal or designee to discuss the new assignment. The teacher may bring a
8 representative with them to the conference.

9
10 **(5) New Assignments:** If a Principal proposes to assign a teacher during the school year to a newly
11 created position resulting from student needs or program changes, the position will be posted first
12 for internal school applicants.

13 14 **5.06 – EMPLOYMENT OPPORTUNITIES**

15
16 **(1) Advertising Vacancies:** Teacher vacancies will be posted on the District website weekly by
17 Human Resources. A vacancy shall exist when a person is sought to fill a full-time position which
18 has been identified by Human Resources. The notice of vacancies shall list the position, location,
19 and qualifications including certification coverage for those positions, and deadline date for
20 application. The notice of vacancies shall be sent to the Association.

21 **(a) Evening School:** Vacancies anticipated for evening high school diploma and
22 vocational programs, and academic programs in the community school programs, shall be
23 posted on the District website prior to the beginning of each semester or summer term.

24 **(b) Extended Day or Work Year:** In the selection and assignment of teachers to the
25 District academic, non-academic, and/or credit course programs and activities which occur
26 beyond the normal 196 day teacher work year and/or the normal 7.6 hour work day the
27 following procedures will apply:

28 **(1) Anticipated Openings:** A listing of anticipated openings with instructions for
29 submitting applications for such openings, including any pertinent information
30 regarding the positions, shall be posted at each school site at which openings are
31 expected to occur unless all teachers at a participating school have already been
32 assigned to work beyond the normal 196 day work year and the normal 7.6 hour
33 work day.

34 **(2) Unfilled Positions:** Any position which is not filled by a teacher at the school
35 having the openings shall be posted on the District website along with any pertinent
36 information regarding the position(s).

37 **(3) Notification:** Teachers submitting applications will be notified of the
38 disposition of the teacher's application as soon as the final determination is made
39 as to assignments and/or selection.

40 **(4) Compensation**

41 **(a) Standard Rate of Pay:** Teachers selected for Supplemental Academic
42 and/or Credit Course Assignments shall be paid at the teacher's base rate of
43 pay as reflected on the then current salary schedule.

44 **(b) Non-Standard Rate of Pay:** Teachers selected for non-fee based
45 Supplemental Non-Academic assignments shall be paid at the rate of \$20
46 per hour.

1 **(5) Program/Activity Type:** The principal advertising the position shall determine
2 whether or not the program or activity is academic or non-academic, and shall make
3 such determination within the following guidelines:

4 **(a) Academic Programs:** Non-fee-based supplemental programs or
5 activities are considered academic in nature when the program or activity
6 is directly in support of the goals of adopted School Improvement Plan;
7 directly related to assisting students enrolled in credit courses within or
8 outside of the school day; intended to demonstrate improvement towards
9 student mastery of those Sunshine State Standards measured on the Florida
10 Standards Assessment; or specifically required by individual education
11 plans or academic improvement plans.

12 **(b) Non-Academic Programs** All other non-fee-based supplemental
13 programs or activities not specified in Article 5.06(1)(d) or the Instructional
14 Supplement Salary Schedule are considered non-academic in nature.

15 **(6) Duration of Assignment:** Teachers assigned to non-fee based supplemental
16 academic, non-academic, and/or credit course assignments may continue in those
17 positions through the end of the school year or until the advertised end of the
18 position assignment, so long as performance is satisfactory. In the event that a
19 program ends prior to the end of the school year teachers may be assigned to
20 another program only if a vacancy exists.

21 **(c) Summer School/Extended School Year**

22 **(1) Application:** Applicants must complete an online instructional or support
23 application to be considered for extended school year (ESY)/summer school
24 employment.

25 **(2) Site Preference:** Applicants shall indicate extended school year/summer school
26 site preference in the “employment preferences” section of the online application.
27 Applicants may indicate multiple site preferences or choose an option for any site
28 preference.

29 **(3) Certification:** Applicants must comply with District certification requirements
30 in the assigned subject area. A list of qualified applicants for each location and job
31 will be accessible via PeopleSoft Talent Acquisition Management. Each job will be
32 assigned a job opening ID Number.

33 **(4) Filling Positions:** Filling positions for extended school year/summer school
34 must be in accordance with Article 5.06(2). When filling positions the following
35 guidelines are also recommended.

36 **(a) Standard School Year:** With the exception of the extended school year
37 program for students receiving a 1 or 2 score on the state mandated
38 assessments, the order of selection of teachers to fill positions should be as
39 follows: Professional Service Contract/Continuing Contract teachers from
40 the assigned school or feeder schools; Annual Contract teachers from the
41 assigned school or feeder School District of Lee County; Teachers,
42 regardless of contract status, District-wide based on seniority.

43 **(b) Extended School Year:** For the extended school year program for
44 students receiving a 1 or 2 score on the state mandated assessments, a listing
45 of anticipated openings with instructions for submitting applications for
46 such openings, including any pertinent information regarding the positions,

1 shall be posted at each school site at which openings are expected to occur.
2 Any position that is not filled by a teacher at the school having the
3 openings shall be posted on the District website along with any pertinent
4 information regarding the position(s).

5 **(5) Compensation:** Summer School and Extended Year is a continuation of the
6 previous year, therefore, Summer School and Extended Year staff will be paid
7 the same rate of pay they earned during the preceding school year.

8 **(6) ESOL Endorsement:** Teachers must have ESOL endorsement, ESOL K-12
9 certification or Board approval to teach ESOL out-of-field if they are the primary
10 deliverer of language arts instruction to LEP students.

11 **(7) Middle Schools:** Middle school teachers are selected by middle school
12 principals. Principals will work together to staff summer sites.

13 **(d) Instructional Supplements:** Those supplemental positions designated on the salary
14 schedule as countywide shall be posted on the District website no later than May 15 of
15 each school year. The deadline for applications shall be ten (10) working days after the
16 date of publication. Any athletic position listed on the salary schedule supplement that
17 cannot be filled by a faculty member of the team's school shall be posted on the District
18 website. The deadline for applications shall be ten (10) working days after the date of
19 publication. Each principal shall post a list of supplemental positions allocated to that
20 school for the subsequent school year until all positions have been filled.

21 **(e) Administrative Positions:** Opportunities for Administrative positions shall be posted
22 at least twice annually in the notice of vacancies.

23
24 **(2) Filling Vacancies:** Any application for a posted vacancy received by Human Resources from
25 a Lee County teacher shall be reviewed by the appropriate principal or supervisor prior to
26 recommending an applicant to fill the position. Except in such circumstances as approved by the
27 Superintendent, a vacancy will not be filled with other than an interim appointee for at least five
28 (5) working days after the posting date on the District website listing the vacancy. Any continuing
29 contract/professional service contract teacher holding the appropriate certification shall be
30 given first consideration in the staffing of teaching vacancies. Teacher applicants in the District
31 assigned to a grade level or subject area outside the scope of their teaching certification shall be
32 given first consideration for openings within the subject or field of their certification.

33
34 **(3) Notification:** Teachers who have made written application to fill a posted and advertised
35 vacancy, including a summer or evening school, shall be notified in writing of the action of the
36 Board in filling such vacancy.

37
38 **5.07 – AMERICANS WITH DISABILITY ACT:** This Article is intended to comply with the
39 Americans with Disabilities Act (ADA). All newly hired teachers must undergo a physical
40 examination by a licensed medical doctor. The results of this examination shall be stated on a form
41 provided by the Board. The form must be received by the Board before employment can begin.
42 Additional medical examination may be required in order to determine whether matters reported
43 in the initial examination would present a direct threat to the health or safety of the applicant or of
44 any other person.

45
46 **(1) Physical Examinations:** Once employed, physical examinations may be required only when

1 the employee’s behavior gives reason to suspect that a medical or psychiatric condition may impair
2 the employee’s ability to perform his/her duties, or when the employee has been injured or ill and
3 an examination is needed in order to determine whether an employee can return to work safely or
4 to determine whether the employee has a disability for which a reasonable accommodation can be
5 made.

6 7 **5.08 – WORKER’S COMPENSATION** 8

9 **(1) Limited Duty:** Employees who have experienced a worker’s compensation injury and who
10 have been evaluated and released by an approved physician as physically able to return to work
11 with specific limitations, will return to their job site upon written authorization by the Insurance
12 and Benefits Management. Specific work limitation will be forwarded to the employee’s
13 supervisor from the treating physician. The employee will remain in his/her job site, performing
14 appropriate duties as identified by his/her supervisor for a period of time agreed to by the
15 employee and the work site supervisor. The employee will be evaluated by the physician as
16 necessary based on the course of treatment and, if not released for full duty, will be returned for
17 limited duty for a work period agreed to by the employee and the work site supervisor. At the
18 completion of the second work period, if the employee is not able to return to a full duty status,
19 he will be evaluated by the physician, principal/supervisor and the Insurance and Benefits
20 Management to determine the employee’s status. Alternatives such as returning to worker’s
21 compensation off-duty status, continuation of limited duty assignments, alternate duty
22 assignments, and/or other assignments will be reviewed with the employee. If a period of limited
23 duty exceeds six months, the District will notify the Association of the identity of the employee.
24

25 **(2) Alternate Duty**

26 **(a) Training:** Employees will be placed in an Alternate Duty training position based upon
27 their physical abilities as determined by their treating workers’ compensation physician
28 and their vocational aptitudes as determined in an alternate duty evaluation. The alternate
29 duty evaluation is not a 440.491 re-employment assessment as it is not an evaluation to
30 determine whether an employee is capable of returning to suitable, gainful employment in
31 the open labor market.

32 **(b) Time Limit:** The total maximum time an employee may remain in an Alternate Duty
33 “training status” is one year. The maximum time may be extended to two years under
34 extenuating circumstances. (Example: illness, language barrier, etc.).

35 **(c) Successful Completion:** Employees will be deemed “trained” when they have
36 successfully acquired the minimum skills necessary to qualify for the position for which
37 they are training, as acknowledged by their supervisor and the Insurance and Benefits
38 Management.

39 **(d) Failure to Complete:** Employees who fail to achieve “trained” status within one year
40 (or two years for employees with extenuating circumstances) will lose their employment
41 with the District.

42 **(e) Change in Training:** Employees who are unsuccessful in their initial training position,
43 may make one change of training assignment within the one-year period (two-year period
44 for employees with extenuating circumstances); however, a change of training position will
45 not extend their training timeline.

46 **(f) Application Upon Completion:** Once employees are deemed “trained” by the

1 Insurance and Benefits Management, they are required to apply for all positions, for which
2 they have received training, within a reasonable commute.

3 **(g) Placement Upon Completion:** For employees who are unsuccessful in finding a
4 regular position within 60 working days of achieving “trained” status, Human Resources
5 will begin procedures to place those employees in regular positions.

6 **(h) Refusal:** If an employee refuses to be tested for Alternate Duty placement or to
7 participate in his/her assigned Alternate Duty training program, this shall be deemed
8 voluntary resignation of employment.

9 **(i) Summer Assignments:** Employees who worked less than a 12-month schedule at the
10 time of their work-related accident will not be guaranteed summer employment while
11 participating in the Alternate Duty Program.

12 **(j) Covered Employees:** The provisions of this section also apply to employees currently
13 enrolled in the Alternate Duty Program at the date of this Agreement. The provisions of
14 this section apply to all Alternate Duty employees.

15 **(k) Wages:** Employees selected for alternate duty assignments will be paid in accordance
16 with the appropriate salary schedule, but in no case shall the employee receive less than
17 the amount received prior to the injury.
18

19 **5.09 – VETERAN’S PREFERNCE:** Veteran’s Preference shall be granted in accordance with
20 applicable state and federal laws. Nothing herein shall be construed to expand any Veteran’s
21 Preference beyond the limits of applicable state and federal law.
22

23 **5.10 – PERSONNEL FILE:** Each teacher shall have the right to review the contents of his/her
24 personnel file. Each teacher has the right to have another person accompany him/her in the review
25 of his/her personnel file, if he/she so chooses. Such review shall be made in the presence of the
26 person responsible for the safekeeping of the personnel files of the Board.
27

28 **(1) Inspection:** Upon request from a teacher, the Board will provide, within five (5) working days,
29 a copy of such contents and records of the teacher’s personnel file as is requested in writing by the
30 teacher. The cost of preparation and duplication of such records shall be at the teacher’s expense.
31

32 **(2) Response:** A teacher shall have the right to comment, in writing, concerning any materials in

28 available, assignments shall be on a rotating basis in a manner to ensure an equitable
29 distribution of additional responsibilities.

30 (1) **Mileage:** Teachers required to travel as part of their regularly assigned

36 last paycheck of the fiscal year in which the days are missed or from the employee's last
37 paycheck in the event the employee terminates sooner. National and/or legal holidays may
38 not be used as make-up days when schools are closed due to emergency. The Board agrees

31 included in the Flex Plan may be purchased pre-tax through payroll deduction or with Flex Credits.
32

33 **(1) Enrollment:** Enrollment in the Flex Plan is automatic. New employees eligible for benefits
34 have the option to waive participation in the Flex Plan within the first thirty (30) days of
35 employment. Regular employees eligible for benefits are allowed to change their Flex Plan status
36 during the annual enrollment period or within sixty (60) days following a qualified family status
37 change. Enrollment in any individual benefit included in the Flex Plan remains binding until the
38 employee changes his/her benefit election. Such changes may only be made during the Open
39 Enrollment period for the benefit or within thirty (30) days (to add a benefit) or within sixty (60)
40 days (to drop a benefit) following a qualified family status change, and must be made on the
41 appropriate enrollment change form. Changes made during the Open Enrollment period will
42 become effective the first day of the new benefit plan year.
43

1 **(2) Flexible Spending Accounts:** All eligible employees may participate in optional medical
2 and/or dependent care Flexible Spending Accounts, which allow those employees to pay for
3 qualified medical and dependent care expenses with pre-tax payroll deductions. Flex Credits may
4 not be directed to Flexible Spending Accounts.

5
6 **11.04 – MAJOR MEDICAL INSURANCE:** The Board will provide major medical insurance
7 through the District’s medical plan to each eligible employee. Effective April 1, 2019, the Board
8 will provide major medical insurance through four (4) Aetna self-insured medical plans: Plan
9 3769, Plan 5773, Plan 7419, and High Deductible Health Plan (HDHP). Such coverage shall become
10 effective the first of the month following a forty-five (45) day waiting period from date of
11 employment. The date of employment shall be included as one of the forty-five (45) days.

12
13 **11.05 – OPTION TO DECLINE BENEFITS:** Employees who can verify evidence of medical
14 insurance coverage shall be allowed to decline coverage under the School District's medical plan.
15 Employees shall receive \$25 per paycheck (24 pay periods) or \$30 per paycheck (20 pay periods)
16 of Flex Credits to spend on voluntary benefits (dental, vision, and/or cancer).

17
18 **11.06 - LIFE INSURANCE:** The Board will provide twenty thousand dollars (\$20,000.00) of
19 group term life insurance for each eligible employee, with an additional twenty thousand dollars
20 (\$20,000.00) accidental death and dismemberment (AD&D) insurance. Coverage shall begin on
21 the first of the month following a forty-five (45) day waiting period from date of employment.
22 The date of employment shall be included as one of the forty-five (45) days.

23
24 **11.07 - VOLUNTARY BENEFITS:** The Board will make optional voluntary group benefits
25 available to all eligible employees. Employees who participate in voluntary benefits must do so at

27 Insurance Task Force and approved by the Board.

36 transferred out of the fund without the recommendation of the Insurance Task Force.

ARTICLE 12 – LEAVE

1 **12.01 – USE OF LEAVE:** The Board and the Association agree that there is no substitute who
2 can replace the regular teacher in meeting the needs of the students served by the District.
3 Therefore, the Board encourages regular attendance and limited use of leave of absence. Leave
4 should be requested only when necessary and under the provisions of law, state board regulations
5 and terms of this Agreement. The Board and the Association believe that there is a direct and
6 positive relationship between attendance and successful performance of job functions.

7
8 **(1) Absence Without Leave:** Any absence from duty without leave constitutes a violation of a
9 teacher’s contract and shall subject the teacher’s contract to cancellation by the Board.

10
11 **(2) Absence Without Pay:** The deduction for each day of absence shall be determined by dividing
12 the base salary plus designated supplements by the total number of hours in the teacher’s contract
13 year to determine the base rate of pay, then multiplying that rate by the number of hours absent.
14 Designated supplements are defined as those supplements that are attached to all positions of a
15 specific title such as school counselors, school psychologists, etc.

16
17 **(3) Notice of Absence:** Any teacher who will be absent from duty for any cause except for leave
18 duly authorized and granted in advance shall report such absence utilizing the District’s electronic
19 absence reporting system as soon as possible prior to his/her absence. A teacher may be required
20 to notify both the electronic system and a designated supervisor in cases of suspected leave abuse.

21
22 **(4) Leave Request:** Any application for leave except sick or emergency leave shall be in writing
23 and on the form provided by the Board and submitted when feasible at least five (5) days in
24 advance. Such application for leave shall be submitted to the principal or other immediate
25 supervisor of the teacher for consideration of a recommendation to the Superintendent for approval
26 or disapproval. Leave granted for a school year or for the remaining part thereof will expire at the
27 end of the contract year of the teacher for which such leave is granted.

28
29 **(5) Return from Extended Leave:** A teacher having been granted leave for the school year or for
30 the remaining part thereof, who desires to return to duty the next school year, shall so notify the
31 Superintendent in writing by April 1. Upon the return of the employee on leave, the replacement
32 employee shall be placed in a similar or comparable position with the District.

33
34 **(6) Leave Approval:** All requests for leave shall be submitted on the proper form and shall be
35 subject to approval or disapproval by the Superintendent.

36
37 **(7) Leave Disposition:** All teachers making an application for leave shall be notified in writing of
38 the disposition of such leave on the form provided by the Board. Reasonable effort will be made
39 to ensure notification of the employee regarding the disposition of the leave prior to the date for
40 which leave is requested.

41 **12.02 - TYPES OF LEAVE:**

42
43
44 **(1) Sick Leave:** Any teacher on a full-time basis shall be entitled to four days of sick leave as of

1 the first day of employment during each contract year and thereafter shall accrue one (1) day of
2 sick leave credit for each month of employment. The employee must work one day more than half
3 of the scheduled work days in the month to earn one day of sick leave for the month. Sick leave
4 shall be credited to the teacher at the end of the month and may not be used prior to the time it is
5 earned and credited, provided that no teacher may earn more than one (1) day of sick leave times
6 the number of months of employment during the school year. Such leave shall be cumulative
7 (actual number of hours earned) from year to year without limit to the number of hours that may
8 be accrued. Any leave charged against accrued sick leave shall be with full compensation. As
9 stated above, the teacher receives four (4) sick days at the end of the first day of the contract year,
10 but does not actually earn those four (4) days until he/she has worked four (4) months of the
11 contract year. Therefore, if termination occurs when the employee has used more sick days than
12 he/she has earned that contract year, and if he/she has no sick leave accumulated from prior years,
13 the School Board will withhold the amount of the teacher's daily rate of pay for each sick day used
14 that has not been earned. Also, if an employee who is eligible for terminal sick pay benefits
15 terminates before completion of his/her contract year, the number of sick leave days for which
16 he/she receives benefit shall not exceed the number of sick leave days accumulated prior to the
17 beginning of that contract year plus one (1) sick leave day for each month of actual employment
18 in the contract year during which termination occurs.

19 **(a) Claims:** Sick leave claims may be submitted by the teacher for his/her own personal
20 illness as well as illness or death of father, mother, brother, sister, husband, wife, child or
21 other close relative, or member of his/her own household.

22 **(b) Accrued Sick Leave:** The Board shall provide all employees with a cumulative record
23 of accrued sick leave hours on each pay statement.

24 **(c) Summer School:** Regular employees who are employed for the exclusive purpose of
25 working during the summer school session, shall earn one day (actual number of hours
26 worked per day in summer session) of sick leave for each three (3)-week term employed
27 during summer school if such employment meets the requirements of law for earning sick
28 leave. However, no more than two (2) days' sick leave with pay may be used during
29 summer school in any one summer.

30 **(d) Sick Leave Request:** Teachers shall notify the appropriate administrator, with as much
31 advance notice as possible, when the use of sick leave is necessary. A claim for sick leave
32 on the proper form shall be signed by the teacher and filed with the principal or other
33 immediate supervisor by the end of the fifth working day following the employee's return
34 to work.

35 **(e) Conditions for Sick Leave**

36 **(1) Increments:** Sick leave may be claimed for a minimum of one-half (1/2) day.
37 One-half (1/2) day shall be defined as one-half the number of hours defined as the
38 teacher's regular work day.

39 **(2) No Available Sick Leave:** Any teacher who has used all accrued sick leave but
40 who is otherwise entitled to sick leave shall be granted sick leave without pay. The
41 claim for such sick leave shall clearly state that the leave is without compensation.

42 **(3) Abuse of Sick Leave:** In the case where sick leave abuse is suspected, the
43 Superintendent may require a doctor's statement of verification of illness. A
44 verification of claim may be initiated by the principal or supervisor.

45 **(4) Validity:** A false claim for sick leave shall be deemed cause for employee
46 discipline up to and including discharge. Where there is any doubt as to the validity

1 of a sick leave claim, the Superintendent may require the employee to file
2 supporting evidence where personal illness is not involved.

3 **(5) Request for Extended Sick Leave:** An application for sick leave due to an
4 extended illness (not fewer than twenty (20) days) shall have attached to it a
5 statement from a practicing physician certifying that such leave is essential and
6 indicating the probable duration of the illness and needed leave.

7 **(6) Notice to Immediate Supervision:** If leave is granted for an extended illness,
8 teachers must notify their principal or supervisor (in writing) no later than the work
9 day before the last day of the leave of their intent to:

- 10 **(a) Return:** Return to work
- 11 **(b) Request:** File a request to extend their leave, or
- 12 **(c) Resignation:** Resign.

13 **(f) Transfer of Sick Leave:** Any teacher shall be entitled to transfer sick leave credit from
14 other Florida school districts with the restriction that at least one-half (1/2) of the valid
15 accrued leave shall be established in The School District of Lee County, Florida.

16 **(g) Reinstating Accrued Sick Leave:** When a teacher of the Lee County School District
17 interrupts service through termination and subsequently returns to employment in the
18 District without having used his/her Lee County accrued sick leave credit in another Florida
19 school district, such accrued sick leave credit shall become valid on the first day of
20 contractual service.

21 **(h) Terminal Sick Leave Pay:** When a teacher receives terminal pay benefits based on
22 unused sick leave, all unused sick leave credit shall become invalid.

23
24 **(2) Illness or Injury-In-Line-Of-Duty Leave:** Any full-time regular employee shall be entitled
25 to illness- or injury-in-line-of-duty leave with pay, less any Workers' Compensation payments, for
26 a period not to exceed ten (10) work days per fiscal year regardless of the number of illnesses
27 or injuries, nor to exceed ten (10) days per any single illness or injury when that illness or
28 injury continues or recurs from one fiscal year to succeeding fiscal years, except as provided
29 in this Agreement, when he/she has to be absent from work because of personal injury received
30 in the discharge of his/her duties. Illness-in-line-of-duty leave is intended to deal with the
31 illnesses normally known as childhood diseases such as, but not limited to, mumps, measles and
32 chicken pox. This leave does not include normal adult illnesses such as colds and influenza. This
33 leave is non-accumulative. In addition to the conditions listed below, for both illness- and injury-
34 in-line-of-duty, the Board reserves the right to request a second concurring medical opinion
35 from a physician designated by the Board. Any additional expense incurred as a result of this
36 requirement will be paid by the Board.

37 **(a) Injury-In-Line-Of-Duty Eligibility:** In order to be considered for injury-in-line-of-
38 duty leave, the following conditions must be met:

- 39 **(1) Written Testimony:** The teacher must provide written testimony, in addition
40 to his/her testimony, that his/her injury was received in the line of duty.
- 41 **(2) Written Claim:** The teacher must file a written claim as outlined below, in
42 addition to the injury report claim.
- 43 **(3) Medical Provider:** The teacher must utilize the medical provider selected by
44 the employer. The teacher may make a written request to change the medical
45 provider after initial consultation.

46 **(b) Illness-In-Line-Of-Duty Eligibility:** In order to be considered for illness-in-line-of-

1 duty leave, the following conditions must be met:

2 **(1) Medical Documentation:** The teacher must supply a letter from a medical
3 doctor, who treated the patient, stating that in his/her opinion, there is a strong
4 probability that the illness was contracted at school.

5 **(2) Time Limit:** Any employee who has claim for compensation while absent
6 because of injury or illness incurred as prescribed herein, shall file a claim on the
7 standard form provided by the Board with his/her principal or other immediate
8 supervisor by the end of the fifth working day following the teacher's return to duty
9 after the leave or illness-in-line-of-duty.

10
11 **(3) Personal Leave:** Any teacher desiring personal leave shall make written application for such
12 leave. The teacher shall not be entitled to compensation while on personal leave except as provided
13 herein. The Board and the Association agree that the purpose of personal leave is to allow the
14 employee to attend to personal business or matters which cannot be attended to outside of the
15 employee's regular workday. Examples of personal business include but are not limited to, legal
16 and judicial proceedings, family weddings or graduation, civic functions, etc. Employees who are
17 found to be in violation of this section through misuse of personal leave may be subject to
18 disciplinary action.

19 **(a) Invalid Use:** Personal leave, whether requested without pay or charge to sick leave, may
20 not be approved for use at the following times, except with the specific written permission
21 of the Superintendent.

22 **(1) Prior to Holiday or Vacation:** Personal leave may not be used on the day
23 immediately prior to or following a holiday or vacation.

24 **(2) First or Last Week of School:** Personal leave may not be used during the first
25 or last week (five school days) of the students' school year.

26 **(b) Personal Leave Charged to Sick Leave**

27 **(1) Five Day Limit:** Up to five (5) days personal leave with pay may be allowed
28 but deducted from accumulated sick leave for each teacher during each fiscal year.
29 Any employee desiring personal leave shall make written application for same on
30 the standard leave form provided by the Board at least five (5) days in advance
31 when feasible and not fewer than 24 hours in advance except in cases of emergency.
32 If the reason for absence is an emergency and prior written request is not possible,
33 the teacher will notify the principal or immediate supervisor as soon as possible
34 prior to the absence.

35 **(2) Conditions:** The use of personal leave charged to sick leave shall be subject to
36 the following conditions:

37 **(a) Non-Cumulative:** Personal leave may not be cumulative.

38 **(b) Disruption:** Personal leave is subject to approval and may not be
39 approved if the Superintendent determines that the granting of this leave
40 will create a disruption of the instructional setting or of the normal work
41 setting.

42 **(c) Increments:** Personal leave charged to sick leave may only be used in
43 increments of a minimum of one-half (1/2) of the teacher's regular work
44 day.

45 **(3) Procedure:** The following procedure will be used when a teacher requests
46 personal leave charged to sick leave:

1 (a) **Reason for Request:** Under no circumstances will teachers be required
2 to provide the supervisor with the reason for the personal leave request.

3 (b) **Disruption:** If the supervisor feels that approval of this request will in
4 any way disrupt the instructional setting or work setting, the teacher will be
5 given two options:

6 (1) **Disapproval:** accept disapproval of the personal leave request,
7 or

8 (2) **Verbal Statement:** provide the supervisor verbally with a
9 reason for the request so that the supervisor may try to accommodate
10 the needs of the teacher when the request, based on the reasons
11 given, is a situation that cannot be controlled by the employee or
12 postponed to another time. (Some examples of this would be: family
13 weddings, court appearances, etc.) The reported reason will not be
14 recorded on the leave request form and will be held in confidence.

15 (c) **Priority:** When a situation arises that necessitates disapproval of
16 requests for personal leave, the principal or supervisor will give
17 consideration to those requests in the order in which they are received as
18 determined by the filing date of the requests.

19 (c) **Personal Leave Without Pay:** Personal leave without pay will not be approved except
20 in those instances where the teacher has no appropriate paid leave available. It is
21 understood that a teacher's willingness to undertake leave without pay does not impose a
22 requirement on the principal or the supervisor to approve the request for leave. The request
23 is subject to approval or disapproval by the Superintendent based on the extent to which
24 the teacher's absence will impact the instructional setting or the work setting.

25 (1) **Extended Personal Leave:** Personal leave without pay not to exceed thirty (30)
26 days may be granted at the discretion of the Superintendent. Personal leave in
27 excess of thirty (30) days shall be subject to approval by the Board.

32 procedures for adoption leave shall be outlined under the applicable section of
33 maternity leave in this article. Only one adoption leave per household will be
34 granted at any given time.

35 (3) **Paternity Leave:** Teachers may be eligible to apply for paternity leave pursuant
36 to law, subject to the applicable conditions as outlined in the section on maternity
37 leave in this article, except that only one leave of either type will be approved per
38 household at any given time. In addition, paternity leave will only be granted for a
39 period of time following the birth of the child.

40 (4) **Return from Extended Personal Leave:** Employees on approved leave of 30
41 days or less must notify their principal or supervisor in writing no later than the
42 work day prior to the last day of the extended leave of their intent to:

6 (c) **Resign:** resign

7 (6) **Job Restoration:** Upon return from an extended leave, an employee shall be

9 the same pay, benefits, and working conditions, include the same privileges,
10 prerequisites and status, and involve the same or substantially similar duties and

19 thirty (30) calendar days prior to the date on which the leave is to begin. Maternity leave shall be
20 without pay except that the teacher must file a claim to use accrued sick leave during that period
21 of the leave for which a medical disability exists. The teacher must submit a licensed provider's
22 statement indicating the number of days a medical disability exists. Approval of a claim for
23 maternity leave shall be contingent upon certification of pregnancy by a licensed medical provider.
24 In the event that the leave request does not specify a return date, the teacher shall notify the
25 Superintendent at least twenty (20) working days prior to her intended return date. Such notice
26 shall be given no later than April 1 in order for the teacher to be considered for return to duty that
27 school year. The teacher may return to duty on the date requested upon receipt by the
28 Superintendent of certification from a licensed provider stating that she is physically capable of
29 performing her job. In the event that leave is approved by the Board effective on or after the first

41

42 (7) **Witness Leave:** When a teacher is subpoenaed, he/she may be granted temporary duty leave.
43 In no case shall temporary duty with pay be granted for court attendance when an employee is
44 engaged as a party to the litigation. The teacher may retain any fees received from the court. In the
45 event no fees are received from the court and the teacher is representing the Board as a witness or

37 and employee; or (5) to care for a covered service member with a serious illness or injury
38 incurred in the line of duty while on active duty. Such eligible employees shall be permitted
39 to take up to 26 work weeks of leave in a 12-month period.

40 **(c) Leave Entitlement:** An eligible employee is entitled to take up to a total of twelve (12)
41 work weeks of FMLA leave in a 12-month period, to be measured backwards from the
42 commencement date the employee uses FMLA leave. An eligible employee taking leave
43 under Article 12.02(10)(b) shall be permitted to take up to 26 work weeks of leave in a
44 12-month period.

45 **(d) Intermittent Leave for Planned Medical Treatment:** FMLA leave may be taken
46 intermittently whenever it is medically necessary to take care of a seriously ill spouse, child

1 or parent of the employee, or because of the employee's own serious health condition
2 making the employee unable to work. Intermittent leave may be taken in increments of one
3 or more days or partial days. Certification of the need for intermittent leave, and the leave
4 schedule, shall be provided by the health care provider. Employees needing intermittent
5 FMLA leave must attempt to schedule their leave so as to minimize disruption to the
6 District's operations. The District may assign an employee to an alternative position on a
7 temporary basis with equivalent pay and benefits that better accommodates the employee's
8 intermittent leave schedule. Intermittent FMLA leave must be requested by the employee
9 in writing at least thirty (30) days in advance, or as soon as is practicable.

10 **(e) Maintenance of Group Medical Insurance:** The Board shall maintain an employee's
11 medical insurance coverage during FMLA leave to the same extent coverage was provided
12 to the employee prior to taking FMLA leave, for a period not to exceed twelve (12) weeks
13 during the applicable twelve (12) month period and for 26 weeks during the applicable
14 twelve (12) month period if eligible for leave under Article 12.02(10)(b). Medical
15 insurance premiums which had been paid by the employee prior to FMLA leave for any
16 dependent coverage must continue to be paid by the employee during the FMLA leave
17 period. If such payments are not made by the employee, the dependent's insurance
18 coverage will lapse and no benefits will be paid for claims incurred while the policy has
19 lapsed. When the employee is reinstated, and payroll deduction of dependent's premiums
20 resumes, the dependent's insurance will be reinstated with the same coverage as prior to
21 the lapse.

22 **(f) Notice:** Employees must request FMLA leave in writing, directed to Human Resources,
23 at least thirty (30) calendar days in advance, or as early as is practicable. The time for the
24 start of the leave may be delayed for up to thirty (30) days for failure to provide timely
25 notice. An employee needing FMLA leave must follow the work site's usual and customary
26 call-in procedures for reporting an absence, absent unusual circumstances.

27 **(g) Job Restoration:** Upon return from FMLA leave, an employee shall be restored to the
28 same or an equivalent position. An equivalent position must be at the same pay, benefits,
29 and working conditions, include the same privileges, prerequisites and status, and involve
30 the same or substantially similar duties and responsibilities. The equivalent position must
31 be located at the same or geographically proximate work site unless the employee's request
32 for transfer has been accepted.

33 **(h) Failure to Return:** At the start of any FMLA leave, the employee must state whether
34 he/she intends to return at the end of the leave. If the employee does not intend to return,
35 the employee will be deemed to have resigned voluntarily, and no FMLA benefits will be
36 provided. If the employee states that he/she intends to return, and then fails to return, for
37 reasons other than 1) the continuation of a serious health condition of the employee or a
38 covered family member or 2) circumstances beyond the employee's control (certification
39 required within 30 days of failure to return for either reason), the employee must promptly
40 reimburse the Board for the cost of insurance provided by the Board during the leave. If
41 the employee fails to do so, the Board may take action to recover the premiums paid.

42 **(i) Use of Paid Leave:** Employees are required to use paid accrued sick leave before any
43 FMLA leave is taken as a result of a serious health condition. Employees are required to
44 use any paid accrued vacation before any FMLA leave is taken. Any such paid accrued
45 leave taken will be counted toward the allowable twelve (12) weeks of FMLA leave.

46 **(j) Medical Certification:** Employees requesting FMLA leave due to a serious health

1 condition of the employee, or of the employee's spouse, child or parent, are required to
2 submit a certification from a health care provider, verifying that the leave is medically
3 necessary. If the Board deems a medical certification incomplete or insufficient, the Board
4 must specify in writing what information is lacking, and give the employee 14 calendar
5 days to cure the deficiency. Form WH-380 shall be used. The Board may require an
6 employee to obtain a second medical certification, at the Board's expense. The second
7 health care provider may not be employed on a regular basis by the District. If the opinions
8 of the first and second health care provider differ, the Board may require a third medical
9 certification, again at the Board's expense, from a health care provider selected by the
10 employee from a mutually agreed upon list maintained by the Director of Insurance and
11 Benefits Management. The third opinion shall be final and binding. In all cases the Board
12 may request a recertification of an on-going condition every six months in conjunction with
13 an absence.

14 **(k) Fitness-for-Duty Certification:** As a condition of restoration of an employee who has
15 taken FMLA leave due to the employee's serious health condition, the employee is required
16 to provide certification from the employee's health care provider that the employee is able
17 to resume work, i.e. is fit for duty and has the ability to perform the essential functions of
18 the employee's job. If an employee is taking intermittent leave and reasonable job safety
19 concerns exist, the Board may require a fitness for duty certification before the employee
20 may return to work.

21
22 **12.03 - INSURANCE COVERAGE:** The insurance coverage of any employee who is granted a
23 leave terminates on the first scheduled pay day that the employee does not receive a paycheck,
24 except as otherwise provided by law or this agreement. To continue insurance coverage during
25 the leave period, the employee must remit all premiums due thereafter when permitted.

26
27 **12.04 - TERMINAL PAY BENEFITS**

28
29 **(1) Eligibility:** A regular full-time teacher, upon application, after ten years of creditable service
30 in a retirement plan established by the Florida Legislature, shall be entitled to terminal pay at the
31 time of:

32 **(a) Retirement:** normal retirement or early retirement;

33 **(b) Disability:** disability retirement;

34 **(c) Termination:** termination.

35 **(d) Death:** However, if termination is by death of the teacher, the ten (10) years of
36 creditable service in a retirement plan established by the Florida Legislature will not be
37 required and payment will be made to the teacher's beneficiary.

38
39 **(2) Payment:** Terminal pay shall be paid after ten (10) years of creditable service in a retirement
40 plan established by the Florida Legislature and shall be based on the total number of accrued and
41 valid sick leave days credit to the teacher at the daily rate of pay of the teacher at the time of
42 termination. The amount of terminal pay shall be computed as follows:

43 **(a) One to Three District Years:** during the years of service one through three (1-3) in
44 the District, thirty-five (35) percent of the hours of accumulated sick leave shall be
45 multiplied times the base rate of pay

46 **(b) Four to Six District Years:** during the years of service four through six (4-6) in the

1 District, forty (40) percent of the hours of accumulated sick leave shall be multiplied times
2 the base rate of pay

3 **(c) Seven to Nine District Years:** during the years of service seven through nine (7-9) in
4 the District, forty-five (45) percent of the hours of accumulated sick leave shall be
5 multiplied times the number of days of accumulated sick leave; or

6 **(d) Ten to Twelve District Years:** during the years of service ten through twelve (10-12)
7 in the District, fifty (50) percent of the hours of accumulated sick leave shall be multiplied
8 times the base rate of pay

9 **(e) Thirteen or More District Years:** during and after the thirteenth (13th) year of service
10 in the District, one hundred (100) percent of the hours of accumulated sick leave shall be
11 multiplied times the base rate of pay

12
13 **(3) Qualification:** Any teacher entitled to terminal pay benefits shall have been under contract to
14 render services for the period immediately preceding termination of employment and shall not be
15 under suspension from duty except for reasons pertaining to health, or have any charges pending
16 which could result in dismissal from employment.

17
18 **(4) Special Pay Plan:** Teachers shall participate in the Special Pay Plan upon retirement,
19 participation in the Florida Retirement System DROP program or upon termination from District
20 employment. Teachers who have \$1,000.00 or more of terminal pay for unused accumulated sick
21 leave and/or payments for unused annual leave shall have all eligible funds placed in the Special
22 Pay Plan subject to the specific provisions of the plan.

23 **(a) Mandatory Participation:** Participation in the Special Pay Plan is mandatory for all
24 eligible teachers.

25 **(b) Termination of Plan Participation:** Bargaining Unit Participation in the Plan may be
26 terminated with the approval of the Association and the District.

27 **(c) Drop Participation Holdback:** Teachers enrolled in the DROP program shall be
28 required to retain 30 days of accumulated sick leave that shall not be eligible for the Special
29 Pay Plan until termination in DROP.

30 **(d) Hold Harmless:** Plan participants who separate from employment before the calendar
31 year in which they turn age 55 and who elect to withdraw funds prior to age 59½ are
32 subject to a 10% early withdrawal penalty by the IRS. The District will hold harmless
33 (make whole) teachers who fall within this category if they request all of their funds from
34 the Plan Administrator within 60 days of actual retirement or termination of employment
35 with the District.

36
37 **12.05 - SICK LEAVE BANK:** The purpose of the Sick Leave Bank (SLB) is to provide a pool of
38 emergency sick leave days from which contributors may draw after their own accumulated sick
39 leave has been exhausted. Nothing in this section shall be interpreted to change any of the
40 provisions in other sections of this Article except as it provides for additional days of sick leave
41 with pay for members of the SLB. The District has several Sick Leave Banks. When a Sick Leave
42 Bank member changes positions which would require a change to a new Sick Leave Bank, that
43 person shall be treated as a new member and must give up one sick day for membership in the new
44 bank. However, if the member has donated a day within the same fiscal year, that day may be
45 transferred to the new bank.

1 **(1) Membership:** Any full-time employee may enroll in the Sick Leave Bank between August 15
2 and September 30 provided the following three requirements are met:

3 **(a) Employment:** Continuous employment for at least one (1) year.

4 **(b) Accrual:** Accrual of six (6) sick leave days by September 1.

5 **(c) Donation:** Donation of a seventh or subsequent sick leave day by October 15.
6

7 **(2) Application:** Application forms for membership shall be provided to teachers at their school
8 centers during preschool planning days. Sick leave days donated to the bank will not be returned
9 except as hereafter provided.
10

11 **(3) Contribution:** In the event the number of days in the SLB balance falls below thirty percent
12 (30%) of the number of SLB members, each member of the SLB shall be required to contribute
13 one (1) day, from their own accumulated sick leave to the SLB. In the event an SLB member
14 cannot contribute an additional day due to leave exhaustion, and he/she is not currently drawing
15 from the SLB, the additional day automatically shall be the next accrued sick leave day.
16

17 **(4) Duration:** If membership in the bank and the number of days in the bank should fall below
18 three hundred (300), the bank shall be discontinued and days remaining in the bank shall be
19 distributed as provided elsewhere in this section.
20

21 **(5) Administration:** The SLB will be administered by Human Resources. Forms may be obtained
22 by participating teachers from Human Resources or work site. An Overview Committee consisting
23 of two (2) representatives appointed by the Superintendent and two (2) representatives appointed
24 by the Association shall be formed to review the administration of the bank, investigate alleged
25 abuses, and determine eligibility as set forth in Article 12.05(1). Committee members shall be
26 provided a quarterly report showing the number of SLB members, balance of days, and number of
27 applications for withdrawals.
28

29 **(6) Benefits:** The SLB shall be used only by the SLB member for his/her own personal illness or
30 disability and may not be used because of the illness, disability or death of any other person.

31 **(a) Extended Leave:** In the event of a continuing or catastrophic illness of a participating
32 teacher, causing the teacher to be absent from work for an extended period of time, the
33 teacher may receive paid leave as follows:

34 **(1) Use of Leave:** All accumulated sick leave and all other forms of paid leave
35 available to the teacher must first be expended, followed by an unpaid leave of ten
36 (10) continuous work days.

37 **(2) Application:** Application must be made to the SLB, submitting medical
38 certification and justification of the number of days required for the leave.

39 **(3) Maximum:** A maximum of one hundred (100) continuous paid work days
40 may be received by a teacher in a school year or a total of one hundred (100)
41 days for any one illness or disability. Having used one hundred (100) days for any
42 one illness or disability and having returned to work, the teacher shall again become
43 eligible to draw days for the same illness or disability after a three (3) year
44 waiting period which shall begin with the date of returning to work.

45 **(b) Second Extended Leave:** In the event of a continuing or second catastrophic illness of
46 a participating employee which occurs within one calendar year of the date the employee

1 returned to work after utilizing the Sick Leave Bank and the employee is approved for sick
2 leave benefits, the ten (10) days of unpaid leave shall be waived.

3 **(c) Request Denial:** Questions raised by Human Resources concerning the eligibility of
4 an employee to receive benefits will be reviewed by the Overview Committee which will
5 make the final determination as to eligibility for benefits. In cases denied, the Overview
6 Committee shall provide, in writing, reason(s) for such denial. The applicant may appeal
7 his/her request to the committee for reconsideration within ten (10) days from receipt of
8 denial. The Overview Committee's determination is not subject to the grievance procedure
9 and arbitration.

10
11 **(7) Abuse:** Alleged abuse of the SLB shall be investigated by the Superintendent. Upon a finding
12 of such abuse, the teacher shall be required to repay all of the sick leave credits drawn from the
13 SLB and shall be subject to such other disciplinary action as determined by the School Board to
14 be appropriate.

15
16 **(8) Discontinuance:** If it should become necessary to discontinue the SLB, unused sick leave in
17 the bank will be distributed in the following manner:

18 **(a) Exceeding the Number of Members:** If the number of unused sick leave days in the
19 bank exceeds the number of members in the bank, each member will receive one (1) of the
20 unused days to be credited to his/her personal accumulated sick leave account. Those days
21 exceeding the number of members in the bank will be dispensed of at the sole discretion
22 of the Board whose decision will be final and not subject to the grievance procedure and
23 arbitration.

24 **(b) Equal to the Number of Members:** If the number of unused sick leave days in the
25 bank is equal to the number of members in the bank, each member will receive one (1) of
26 the unused days to be credited to his/her personal accumulated sick leave account.

27 **(c) More than Half the Number of Members:** If the number of unused sick leave days in
28 the bank is more than one-half (1/2) but less than or equal to the number of members in the
29 bank, each member will receive one-half (1/2) of one of the unused days to be credited to
30 his/her personal accumulated sick leave account. Those days exceeding one-half (1/2) of
31 the number of members in the bank will be dispensed of at the sole discretion of the Board
32 whose decision will be final and not subject to the grievance procedure and arbitration.

33 **(d) Half the Number of Members:** If the number of unused sick leave days in the bank is
34 equal to one-half (1/2) of the number of members in the bank, each member will receive
35 one-half (1/2) of one of the unused days to be credited to his/her personal sick leave
36 account.

37 **(e) Less than Half the Number of Members:** If the number of unused sick leave days in
38 the bank is less than one-half (1/2) of the number of members in the bank, all of the days
39 will be disposed of at the sole discretion of the Board whose decision will not be subject to
40 the grievance procedure and arbitration.

41
42 **(9) Hold Harmless:** The Association, its officers, agents, and members of the bargaining unit will
43 hold the Board, its officers and agents harmless for the cost and results of any action which may
44 be brought by any of its members, group or groups of members, members of the bargaining unit,
45 or agencies of law, with respect to the establishment, administration or expenditure of the assets
46 of the SLB.

1 **(10) Closing of Sick Leave Bank:** Effective April 1, 2019, the SLB will close. The TALC
2 Labor/Management Committee will bring a recommendation about the future of the SLB to the
3 bargaining teams for consideration in FY20 (2019-2020 school year).

ARTICLE 13 – PARTICIPATORY DECISION MAKING

1 **13.01 – CONCEPT:** Providing instructional staff with opportunities to participate in the decision
2 making process has a positive impact on employee retention, especially whenever there is a
3 potential impact to the work being done in the classroom, school, or department. The interest based

5 committees reduces the likelihood of labor disputes allowing all staff the ability to focus on student
6 achievement.

7
8 **(1) Bargaining-Related Committees:** Bargaining related committees are made up of both District
9 and TALC appointed members and each committee is assigned specific duties. Committees are
10 assigned to review contract language to identify potential issues, in order to present

12 Bargaining related committee meetings are regularly scheduled and records of meetings should be
13 kept.

14
15 **(2) Leave:** Employees participating as members of Bargaining Related Committees or School

31 related committee meetings and shall make every reasonable effort to avoid scheduling meetings
32 during student contact time, while recognizing the need in some instances to meet during the
33 regularly scheduled work day. The TALC Labor/Management Committee is responsible for the
34 appointment of members to all District-Based Committees, with each side having the final say in

7 super majority of TALC Bargaining Unit representatives, SPALC Bargaining Unit
8 representatives, or District representatives. When using the Interest Based process, the
9 parties will develop a decision making timeline by mutual agreement of the parties which
10 allows ample opportunity to discuss the issues of concern. In the event that a deadline for
